VALENTINES WEEK

FEB 12 - 19, 2022

Theme - "A Relationship Reboot"

Dear Special Hedonism Guest,

Mark and I are celebrating our 16th year teaching about the Sexy Lifestyle, intimacy, and designer relationships at Hedonism over Valentines week. We cherish this week with you.

The Kama Sutra Intimacy Oasis retreat is designed for couples who are interested in more deeply connecting with each other while learning about and enjoying the sexy, sultry Hedonism/Caribbean cultural buffet!

Taking Care of Business.

Due to the new management changing our agreement this year, we have been left with no choice but to charge for the body of the retreat. In years past, we were comp'd our room (not flights) so our out-of-pocket expense was much less helping us keep costs low. This year, we are paying full fare to be there teaching. The value of our time and expertise is determined by you. With your support, we can continue to provide intimacy and designer relationship classes at Hedonism. [Retreat Package](#)

We call this opportunity to "vote with your dollars".

You can learn from others who have attended what they experienced at prior retreats [here](#)

Everyone IS welcome, yet the retreat is not a designated "swinger" focused event. During the playshops, couples will only be with each other. That being said, what you all do with those new techniques you'll learn after class, that is fully up to you ;-)
